# BMWNEF 2024 ALPHABET CHALLENGE

## APRIL 1 - SEPTEMBER 30, 2024

We have come up with a challenge so this summer you will have no reason to say—

- I'm tired of going to the same places.
- I'm tired of riding the same roads.
- I don't have any place to go.

### It's The ABC Challenge- Here's how it works

Within a 250-mile radius of downtown Jacksonville, visit a city or town whose name begins with every letter of the alphabet.

Such as A—Atlantic Beach, B—Brunswick, C—Crystal River, D—Daytona Beach, etc.

### RULES:

Use a timestamp app such as Timestamp Camera, for iPhone, <https://apps.apple.com/au/app/timestamp-camera-basic/id840110184>; for android phones, [https://play.google.com/store/apps/details?id=com.jeyluta.timestampcamerafree&hl=en\\_US&gl=US](https://play.google.com/store/apps/details?id=com.jeyluta.timestampcamerafree&hl=en_US&gl=US); it is free to download and shows the date and location of the photo. Stop anywhere in an incorporated city, town, or village and take a picture of your bike with the Challenge Poster, with your membership number written on the poster showing. Your Timestamp camera will identify the location and time of the picture. All photos must be taken between April 1, 2024 and September 30, 2024.

### Teams

Teams of two or more riders are allowed. To qualify as a team you must create a team name and complete the challenge together as a team, and confirm that by submitting photos of the teams bikes together in the same photo with the name of the team instead of the member number on the poster. If you compete as a team, the challenge must be completed as a team. If anyone drops out of a team, you will need to form a new team or compete as an individual and you will be required to start over.

## ELIGIBLE CITIES AND TOWNS

Except for the letter X, there is an incorporated city or town that starts with every letter of the alphabet within the 250-mile radius of downtown Jacksonville in Florida and Georgia. Only incorporated cities, towns and villages will be counted toward completion of the challenge.

Below are links to all the incorporated Cities, Towns and Villages that are in Florida and Georgia. Not all of them are eligible for the 250 mile radius from Jacksonville.

Photo's do not need to be taken in alphabetical order.

### Send your photos

Email your photos to Tom Nolan, [tnolan@nolangroupinc.com](mailto:tnolan@nolangroupinc.com), so your progress can be ranked with other riders. The progress of the top 5 riders will be announced at each month's club meeting starting in May.

Recognition and awards will be given for

1. First completed
2. Last completed
3. Most trips taken to complete 25 towns
4. Least trips taken to complete 25 towns

### Notes

Special recognition will be given to any riders who also get the letter X. Only two cities in the US begin with X: Xinia, Ohio, and Xinia, Illinois.

Happy Riding, Go Explore!
